This press release contains forward-looking statements within the meaning of the U.S. Federal securities laws. A number of factors could cause each company's actual results or performance to differ materially from those anticipated. Among those risks, trends and uncertainties are the general economic climate; the supply of and demand for commercial and hotel properties; interest rate levels and the availability of financing; and other risks associated with the acquisition and ownership of properties, including the risks that the tenants will not pay rent or that costs may be greater than anticipated. For further information regarding factors that could impact each company, reference is made to that company's filings with the U.S. Securities and Exchange Commission.
